JSH is proud to announce that Cox James Architects received the 2017 Design Excellence Award for the interior design of our new office space in downtown Phoenix. The architects were honored during the Arizona Chapter of the American Society of Interior Designers' Annual Awards Gala in August. In addition to receiving this award in the category of Business Offices over 5,000 SF, Cox James Architects won the 2017 Special Function Space Award. In April 2016, the firm moved from its mid-town location to Renaissance Square downtown, where we occupy the top four floors of the Renaissance Two Tower at 40 North Central. Congratulations to Brian Cox and the entire design team at Cox James Architects!
