JSH partnered with Hines, Renaissance Square Management Company, to raise funds and donations to stock the lending closets at a Phoenix-area elementary school. More than 70 JSH employees and building tenants donated to the effort, raising a total of \$3,000. With these funds, the JSH Charity Committee will purchase back-to-school necessities, including uniforms, shoes, socks, backpacks and personal care items, for the 550+ preK-5th grade students.
