Patricia Shaw

Roxane Tompkins

Victoria Zeidell

With 270 cumulative years of experience, our full-time legal nurse consultants are an integral part of the firm's [health care and medical malpractice defense group](#). They provide all manner of health care and medical litigation support, including conducting in-depth medical records review and medical research, interviewing clients and experts, preparing for trial, and so much more.

Our legal nurse consultants are true assets to the firm and its clients.
