

As outside legal counsel or strategic partners, Jones, Skeleton & Hochuli takes a cross-disciplinary approach to meet the broad legal needs of our manufacturing clients. For decades, our experienced manufacturing attorneys have counseled clients on array of issues, including environmental, vendor relations, OSHA and workplace safety, labor and employment, product recalls, intellectual property and product development. We've collaborated with manufacturing and industrial clients to create legal strategies that protect their assets while positioning themselves to adapt and grow within their respective industries. Our experience includes numerous fields:

- Aviation
- Automotive
- Pharmaceutical
- Information technology
- Consumer products
- Food and beverage
- Industrial machinery
- Medical and health care
